Hi all,

Could we please set aside a few minutes to chat this morning to discuss a few urgent matters

1. Staffing crisis as of Monday (no more OPS recalled for duty including no ability to recall anyone. Options need to be explored).
2. Timeline for 4 Platoon schedule
3. Strategy with 266 RCMP (when do they arrive, etc?)
4. OPP contingent not wanting to take our radios – attempts made (Incident Command decision and direction required at NCRCC level) concern for interoperability in crisis or critical incident.

Let me know what will be the best time (before or after our morning
